NEW! Scholarships for College Students

The wait is over. For the first time, HFS has three (3) \$2,500 scholarships available to current college students! We know that the costs of college can add up over the years and there aren't as many available scholarships once you graduate from high school. We want to help lighten that financial load of getting a higher education.

For a full list of requirements, and to download an application, visit hfsfcu.org or stop by any branch location island-wide. In order to apply, students must be attending a 2 or 4 year accredited Vocational-Technical School, College or University and will be continuing education as a full-time student in a 2 year, 4 year or graduate program in 2020-2021. Students must also have their own HFS account in good standing, prior to the deadline. Don't have an account? Not to worry, come on in and open one before the deadline.

Applications must be postmarked or submitted by Thursday, April 30, 2020. If you have any questions about the program, please contact the Credit Union at (808) 930-1400 or stop by any branch location.
