1. Introductions and Vision Statement

2. Update

Notice sent home for the hiring of a new director.

Aloha LCPCS Families,

LCPCS has been in the process of seeking a permanent director since August. At the November Board meeting the board accepted the hiring committee's recommendation to hire candidate Romeo Garcia. The hire is not yet complete. The board will be completing the remaining steps of the process to secure the hire (including background checks and contract negotiations and a transition plan). Once all those details are complete we will share them! We hope we will be able to complete these final steps by mid December. If you are interested in the process you can attend any public committee or board meeting. They are listed on the school calendar.

Sincerely,

Nicolette Hubbard and the LCPCS Governing Board Executive Committee

3. Upcoming Events

4. Reaccreditation

Kaulana was unable to attend. Information and update provided by Niki Hubbard.

5. Making a Difference: Fundraising

- Matson information courtesy of Emily Rogers obtained from the Matson website. Discussed requirements for a non-profit to participate in the Matson Fundraiser. All agreed that the students should be involved. Further discussion needed on area to be cleaned, possibly Laupahoehoe Point. Where should the funds go? Agreed once a date/location is set. Approach Hui Makua for participants as many are interested. Possibly, other organizations may be interested in matching Matson contribution?
- HOPE Service: We will be continuing to collect any household items. Items collected by grade. K-4th grade: Personal care kits. 5th-8th grade: Cleaning supplies. 9-12th grade: Bathroom supply kits.

6. Upcoming Meetings

- Governing Board: December 27, 2016 at 5:30pm in the Band Room
- Hui Makua: January 11, 2017 at 5pm in the Band Room

7. Discussion

- School lunch: Children are complaining about the dressing on the salad and will not eat it. Parents request the dressing be on the side so that children have the choice of with or without dressing. One possible explanation may be that there are certain requirements for the school lunch. Rachel Real will look into this.
- Niki suggests training be offered in Hui Makua to parents such as discussion on parenting books, sign language.
- Niki provided an update on the Charter Contract Renewal Process.
- Posted in Google Groups: Coaches needed at the Papa'aloa Gym. Boys P&R Basketball: Ages 9-14yrs old - January through February, Girls P&R Basketball: Ages: 9-14 yrs old - February through March, Coach Pitch in January, and T-Ball in February.
