School Year 2018-2019

June 30, 2018

Aloha LCPCS Parents and Guardians,

I hope this letter finds you all in good spirits, enjoying the summer weather, long days and restful nights. Our leadership team and support staff has been hard at work preparing for the new school year ahead, the beginning of our seventh year as a community based charter school.

In an effort to ease the stress of back to school shopping and better meet the resource needs of school, we will be **charging a one-time fee to cover school supplies and field trips** costs for elementary students for the 2018-19 school year.

LCPCS has done this several times since our charter began and it was well received by parents. Those having children at different grade levels appreciated not having to figure out what was needed for this child and that child, while others liked not having to shop at this store and that, hoping online orders arrived in time for the first day of school.

We listened to parents, we met with teachers to review their school supply lists, and we did cost comparisons at the major stores on our island as well as online sites. We are confident that this will ease the stress for teachers, children, and parents. This will not only save you time but also money. The one time school fee for the entire school year is **\$65 per child**, for grades K-5. (\$50.00 for supplies & \$15.00 for excursions), This will cover **all school and miscellaneous supplies** as well as **2 excursion fees**. School fee must be paid by **August 10** (cash or check made payable to LCPCS). If you have any questions you may contact the LCPCS Main office at 808-962-2200. Office hours are 7:30 to 4:00 daily.

The first day of school will be on Monday, August 6th. Dismissal on Mondays will continue to be at 12:30pm.

Thank you,

Del De Los Santos
Business Manager
